FORM OF BEQUEST.

I give and bequeath to “THE WOMEN’S CHRISTIAN ASSOCIATION OF PHILADELPHIA,” a corporation under the laws of the State of Pennsylvania, the sum of _____ dollars, to be applied to the uses and purposes of said Association.

SEVENTH ANNUAL REPORT.

AGAIN we are called to review the work of a year, to record its results, and to bless God who hath so abundantly rewarded our efforts. In presenting to the public the Seventh Annual Report of the Women's Christian Association, we are reminded that through years of unwonted business depression we have been generously sustained in our various enterprises and enabled to occupy an ever-enlarging field of usefulness. This thought strengthens our faith as we enter upon the duties of another year, bringing fresh courage and zeal for the Master's service.

BOARDING-HOUSE, 1605 FILBERT ST.

Seven years of continued prosperity call forth our deepest gratitude, as we look back over the history of this first enterprise of our Association. In our boarding-house many young girls have found a safe and pleasant shelter, with all the influences of a Christian home and a tender, motherly care. Sympathy, counsel and aid have been wisely and kindly given by the Admission Committee, and those who have been with us have testified most freely to their appreciation of the home comforts provided. The house has been well filled during the past year ; 68 boarders have been accommodated. The income has continued to meet the running expenses, and been sufficient for some needful repairs.

The family has been a happy one. The wedding of one of our girls on New Year's day was a pleasant occasion in the household, and the home evenings, when one or more of the Admission Committee have met the girls in the parlor, have been enjoyed by all. The daily family worship and the weekly

Bible class have been the means of blessing, bearing fruit in a considerable religious interest among the boarders. Last winter a prayer-meeting was established by the girls themselves, and held weekly in their own rooms.

It is thought best to repeat in each Annual Report the requirements for admission. The applicant must be under twenty-five years of age; without a protector in the city; supporting herself, or being fitted to do so; must furnish two references for respectability, and her weekly income must not exceed six dollars. The terms for board are \$2.50 to \$3.00 per week, with an extra charge of thirty-eight cents for washing and ironing.

We have cause for renewed thankfulness in the usual good health of the family. Such cases as have needed medical advice have been promptly and gratuitously attended by Doctors Hamilton Osgood and W. S. Stewart. The removal of Dr. Osgood to another city occasioned his resignation, which was received with regret, and thanks for his generous professional aid. Dr. Stewart has kindly offered his services in Dr. Osgood's place. Our Board of Physicians has also suffered another loss in the death of Dr. Wm. Mason Turner.

NOS. 139 AND 141 NORTH SEVENTH ST.

Quietly and efficiently the work of the Supply Committee has been carried on during the past twelve months. Every day the dining-room is taxed to its utmost capacity, the average attendance being over two hundred. The dinner, provided at a moderate cost, is a real benefit to our noonday visitors, who show their appreciation by their continued patronage. The dining-room is opened daily from 12 to 3 P. M., and a comfortable meal can be obtained at prices ranging from 5 to 25 cents. A new bill of fare has been prepared, some articles being added by way of variety, and the price of others lowered to correspond with the change in cost of provisions. It is a noticeable fact that by far the largest number of meals furnished are five cent dinners. The temporary lodgings have been well patronized, and have been truly successful in pro-

tecting those who would otherwise be exposed to the dangers of a great city by night, and tempted to seek shelter in objectionable lodging-houses. During the past year we have supplied 61,255 meals, and furnished 2189 lodgings.

We desire to express our thanks to Dr. G. B. Dunmire for his medical attendance so cheerfully and gratuitously rendered in this house.

PERMANENT BOARDING.

In the discharge of the duties allotted to them, the Admission Committee has many times found it hard to refuse persons applying for board in our Filbert Street House, and who were ineligible only on account of age. Often the weekly earnings of these women have been as meagre as the wages of our young girls, and they just as sorely needed the comforts, if not the protection, of such a home. It is a great pleasure to meet this need by the use of some of the rooms in our Seventh Street House which were rarely used for other purposes. In these we can accommodate fifteen boarders. Terms, \$2 50 to \$4 00 per week. Already nineteen boarders have been received, and seem to enjoy the accommodations afforded.

EMPLOYMENT COMMITTEE.

Many of the tragedies that make up the history of a great city come to the notice of this Committee. "Something to do," is the cry that rings in their ears, day after day, and it is accompanied by visions of sad faces and hearts burdened with care; women, homeless and friendless, and worse than all, helpless and incapable. Happily this is but one side of the picture, and over against this shadow we find a bright record of those who have been provided with employment, or placed in homes where they are now kindly cared for, beyond the reach of want and temptation. Many have found counsel and friends through our employment office, and it is pleasant to know that the opportunities afforded for speaking a word in season have in some cases led to penitence for a wasted, wicked life, or restored an erring, wandering child to her friends.

The number of applicants for employment registered during the past year is 1636; 1379 have found situations. The large number of applications from employees, 2036, bears testimony to the success of our efforts to secure satisfactory reference for all who go out from the office, and indicates the sympathy of the public with this means of helping those who are willing to help themselves. The expense of this department is borne by employees, no charge being made to those seeking occupation.

By referring to our books, we find that while a large proportion of those registered are domestic servants, we have still many applicants for positions as governesses, seamstresses, teachers of various branches, book-keepers, writers, operators, clerks, &c. Many of these are people of refinement and culture, whom we would most gladly aid in procuring employment, but we have so few opportunities to fill such positions; we shall be glad if our friends will bear this in mind, and let us know of vacancies in schools, stores, factories, &c.

THE LIBRARY AND READING-ROOM.

This feature of our work is continually growing both in interest and usefulness. Every day, at the noon hour, may be seen numbers of girls and women, coming in for a little rest—a moment's glance at the magazines and papers, or to change the book which has, perhaps, been their only recreation for a week past, and has given food for thought, diversion, and interest, after a hard day's work. Nor is this all. The Librarian has become the personal friend of many who frequent our rooms, and who carry away with their books loving words of counsel, fitly spoken to the young and unwary, or words of encouragement and cheer to the troubled and downhearted. The atmosphere of a room like this, pleasant and homelike, is of itself a powerful moral influence, and it is to be hoped that as this department is further developed, we shall be able to offer to the working women of our city still greater advantages for improvement and recreation, for it is well known that to plant the seeds of knowledge and truth in the minds of the

young, and to provide for their innocent amusement, are among the surest ways of resisting the influence of evil temptations.

The entertainments mentioned in last year's report were continued monthly until April, with increasing pleasure to those in attendance. The rooms were crowded to overflowing, and the knowledge of the Association was thus more widely extended among working-women.

The Sunday afternoon Bible class is regularly maintained, being attended by the boarders and lodgers, together with patrons of the library and dining-room.

All donations of books and papers received during the year are gratefully acknowledged, and we would remind our friends that the number of names on our register is rapidly increasing, and as books so constantly used will wear out, we are in need of means to rebind them, as well as to purchase the new ones needed to supply this increasing demand.

The library is opened daily from twelve to three, tickets entitling to its privileges being given freely to each applicant who can furnish a signature of reference from some one known to the Association.

We have now on the register 683 names.

THE VISITING COMMITTEE.

The duties of this Committee are not such as to yield results which can be presented in a definite statement of facts or figures; but inasmuch as seed-time and harvest never come together, the laborers in this part of the Master's vineyard must be contented with patient sowing beside all waters, looking for the harvest by and by.

Regular visits are made to the Almshouse, House of Correction, Moyamensing Prison, and University, Homœopathic and Wills Hospitals, where our visitors are ever welcome, and have reason to believe that their efforts are not in vain. Carrying

the precious Word of God, they have ministered in the abodes of crime and disease, and though frequently they have had but passing opportunities to impress God's truth, they have sometimes been cheered by the knowledge of one here and another there to whom this truth has come as the water of life.

In Wills Hospital, religious services are continued on Sundays and three times during the week, with evident interest and profit. Thanks are due to the physicians, nurses and attendants of these various institutions, whose courtesy has materially aided our visitors in their labor of love.

THE PRAYER-MEETING.

In the beginning of the year, the weekly prayer-meeting held during the winter previous was resumed, and took the character of Bible-readings, conducted weekly by Mrs. Hannah Whitall Smith. At first these services were held in the lecture-room of the Young Men's Christian Association building, but this being crowded to overflowing, the meetings were removed to the Chambers Presbyterian Church, where they were continued every Thursday until the end of May. The large numbers in attendance, and the interest manifested, encourage us to believe that many were refreshed and strengthened by these services, and that some were born into the kingdom. Our thanks are due to Mrs. Smith for her most interesting readings, and to the trustees of the church, who so kindly granted the use of their building.

In resuming their work this autumn, the Prayer-meeting Committee suggested that during this winter a ladies' prayer-meeting be held in the parlors of our Filbert Street House, the special object being to seek divine guidance and blessing on our work. The time of meeting is changed to Wednesday, at 11 A.M., and all are cordially invited to attend.

We have also, at their request, incorporated into our work the Young Ladies' Prayer-meeting, begun during Mr. Moody's visit to this city, and continued for two years past with encouraging success. The Young Ladies' Prayer-meeting is held every Saturday, at 3.30 P.M., in the rooms of the Association,

141 N. Seventh Street. An earnest invitation is extended to all young ladies to unite in these services.

FAITH AND WORKS.

Our paper has continued its monthly visits to the homes of subscribers in most of the states in the Union, in Canada, England, Scotland, France, Switzerland and Japan, and the knowledge of our work has thus been widely diffused, as well as a vast amount of information in regard to woman's work elsewhere. We are glad to report an increasing subscription list, and that our paper is making friends wherever it goes, winning pleasant testimony to its helpfulness and use. It is impossible to gather the results of this part of our work, yet we know that some help has come to us through the knowledge of our needs, as stated monthly in Faith and Works. But the aim we seek in the issue of this paper is not a matter of dollars and cents; it is to convey to the public the magnitude and importance of associated Christian work for women; to arouse interest in this cause, and to stimulate and encourage the hearts of those engaged in it. At the last Conference, the president of an active Association said, "Of all your varied enterprises, I envy nothing so much as the power of doing good you have in the publication of your paper." Faith and Works is not yet self-sustaining, but we have every reason to hope that the day is not far distant when it will meet its own expenses.

An office has been opened in the Association Room, No. 141 North Seventh Street, where subscriptions will be received, and all business may be transacted daily from 9 A.M. to 4 P.M. The paper is published on the fifteenth of each month. The terms of subscription are one dollar per annum, payable in advance.

SEA-SIDE BOARDING-HOUSE, ASBURY PARK, N. J.

Another pleasant summer at our sea-side boarding-house has passed, and again our accommodations have proved inadequate to supply the demand for a resting place within the means of working women. The house was opened June 23d, and for one

week the managers and their lady friends were received at \$1 per day. From June 30th to September 15th it was filled with regular boarders, the whole number received being 401.

This house has also been self-sustaining, a surplus of \$32 82 being reported at the close of the season.

In September it was decided to enlarge the house, and Mr. B. D. Price, the architect to whose skill and courtesy we have heretofore been indebted, presented plans for adding a third story to the front of the building, throwing the present kitchen into the dining-room, and building on one side a new kitchen, with servants' rooms above, thus enabling us to accommodate 40 additional boarders. The estimated cost of these improvements is about \$3100. Already the building is roofed and plastered, and will be completed in the early spring.

We shall offer the advantages of quiet rest with the benefits of sea air and bathing, to a larger number than ever before. The Asbury Park Admission Committee report that the hardest part of their work has been the necessity to refuse, for want of rooms, weary women who sadly need the rest and refreshment of such a spot, and whose slender means forbid the thought of more expensive resorts. It is hoped that in the coming summer this difficulty will be at least partially obviated. The Asbury Park Admission Committee meets daily at 1605 Filbert Street, from the 1st of June to the close of the season. The only requisites for admission are that the applicant be dependent upon her own exertions for support, and furnish reference for respectability. The terms are \$3 per week in advance.

If we should cite the incidents that have come to our knowledge of the benefits conferred by this house, we should far exceed the limits of our Annual Report. It is enough to say that this part of our work is deeply appreciated by all who share its privileges.

We are under renewed obligations to Mr. James A. Bradley, of Asbury Park, for his constant courtesy and kindness.

Among the pleasant reminiscences of the summer of 1877 is the gift of a piano, secured by the efforts of some ladies who visited the house. Early in the season a fine instrument was placed in the parlor, and added greatly to the enjoyment of our

guests during the summer. Need we tell our generous friends that we heartily thank them?

A donation of eight hundred dollars from the estate of the late Charles M. Eckert is thankfully acknowledged. With this we cancelled the balance of one of the mortgages on our Seventh Street House. We had hoped to pay off the remaining mortgage of \$3000, thus leaving the Association entirely free from debt, but in view of the urgent need for increased accommodations at Asbury Park, it was deemed best to use our funds for this purpose.

INTERNATIONAL CONFERENCE.

The record of 1877 would be incomplete if we should omit to mention the Fourth International Conference of Women's Christian Associations, held in Montreal, June 5th to 8th. The occasion was one of deepest interest. Delegates were present from twenty-three Associations, and the wisdom and experience of a large body of practical Christian women were brought to bear upon the difficult problems of our work. The season was one of delightful communion. Hearts were stirred with new love and zeal, and stimulated to further effort in this great cause. Woman's work for her sister woman, and her responsibility to perform it, came before us in a vast panorama as it was represented by earnest, devoted Christian women from all parts of our land, and the reports of results accomplished were such as to encourage us to go forward in the name of the Lord.

In concluding our Report for the year, we would make grateful mention of the continued kindness and generosity of the friends of the Association. While our treasury has at no time been very full, we have been able to meet all demands, and it is hoped that in the coming year we may be enabled to respond to some of the many calls to enlarge our work, by multiplying all the agencies we employ for the protection and aid of the working women of our city.
